DEAL: General

Principal

- The German Rectors' Conference (HRK) was commissioned by the Alliance of Science Organisations to launch the DEAL project in 2016
- In order to implement the DEAL project, the Alliance has set up a project group and a negotiation group with relevant experts and members of the management levels from universities and research institutions.
- <https://www.projekt-deal.de/>

The objectives of Project DEAL

- Immediate open access publication of all new research articles by authors from German institutions
- Permanent full-text access to the publisher's complete journal portfolio
- Fair and reasonable pricing for such services articulated with a simple and future-oriented model based on the number of articles published

DEAL: PAR-Model (Publish & Read)

Publish

- In **subscription journals** articles by eligible authors will be published Open Access.
- In **Gold Open Access journals** articles by eligible authors will be published with a **20% discount** on the APC list prices.

Read

- Participating institutions receive perpetual access to the entire portfolio of electronic journals.
